***ADMINISTRATIVE ORDER AMENDING
LOCAL BANKRUPTCY RULE 1002-1
TO EXPAND THE TIME TO CURE DEFICIENCIES***

WHEREAS Local Bankruptcy Rule 1002-1 (b)-2 currently requires that all deficient pleadings associated with the filing of a document in a Bankruptcy case before this Court must be cured within 10 days after the date the Clerk issues the notice of the deficiency. The Judges, in consideration of Federal Rule of Bankruptcy Procedure 1007 which allows 15 days for many pleadings, have determined that the time for curing deficiencies pursuant to Local Bankruptcy Rule should compliment the national rules. Such a practice would help simplify the practice of bankruptcy law in the District. Accordingly, it is

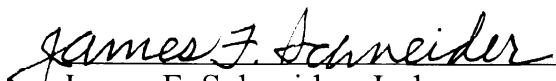

ORDERED that effective February 1, 2006, Local Bankruptcy Rule 1002-1 (b)(2) is amended to reflect that papers or pleadings will be stricken or the case dismissed if the deficiency is not corrected within fifteen (15) days after the date of issuance of the deficiency notice.
