

**IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF MARYLAND**

IN RE: *
COURT OPERATIONS UNDER THE EXIGENT * MISC. NO. 00-308
CIRCUMSTANCES CREATED BY COVID-19 *

AMENDED STANDING ORDER 2021-04

On November 11, 2020, this Court entered Standing Order 2020-20, significantly reducing operations and retreating from Phase Three to Phase One of its Recovery Plan, all in response to worsening COVID-19 virus data. This Standing Order was effective November 16, 2020. Staffing and Probation Office activities reverted to Phase Two. Following a continued deterioration in local virus data, the Court later extended the duration of the reduced operations through February 26, 2021.

In recent weeks, local virus conditions in the State of Maryland have significantly improved. The statewide 7-day test positivity rate is now under 5%, and the 7-day test positivity rates for many of the local jurisdictions surrounding each courthouse are also below 5%. Importantly, although some counties remain above the 5% target, all jurisdictions demonstrate a clear downward trend sustained over several weeks. Moreover, the number of patients currently hospitalized with COVID-19 has fallen significantly in the last month, and there has been a steadily declining number of new cases and reported deaths. In response to improving metrics, some local jurisdictions have begun to ease restrictions on the operation of local businesses and institutions. Accordingly, the local virus data and other relevant criteria have sufficiently improved such that they now support a return to Phase Three of the Court's Recovery Plan.

On March 1, 2021, the Court will reenter Phase Three, and it will resume conducting some court proceedings on an "in-person" basis in the Courthouses. On or after March 15, 2021, the Court will resume conducting some jury trials, with appropriate safety precautions taken in

all instances. The Court will continue to conduct some proceedings virtually. Whether a proceeding will be conducted virtually or “in-person” will be determined by the presiding judge on a case-by-case basis. Staff will return from telework to accommodate these in-court proceedings. Members of the public will again be admitted into the Courthouses to observe and participate in proceedings on a limited basis, and public facing administrative activities will be resumed “in-person” under the direction of, and to the extent authorized by, court supervisors. Rigorous measures designed to protect health and safety will remain, including mandatory mask usage, six-foot physical distancing requirements, liberal use of plexiglass barriers, use of “listen/talk” electronic communication devices in the courtrooms, and limits on occupancy in certain areas such as courtrooms, restrooms, and elevators. Accordingly, it is

ORDERED that the Court will reenter Phase Three of its Recovery Plan at 8:30 a.m. on Monday, March 1, 2021; and it is further

ORDERED that, subject to the restrictions below, all Courthouses in the District are once again open to the public during regular business hours on all days except Saturdays, Sundays, and legal holidays specified in Fed.
